

Expo

Expo's Project Management Information System (PMIS) Overview

Expo PMIS

- Oracle/Primavera Contract Management (CM13) for contract administration
- Sharepoint for documentation file storage
- P6 version 7 for scheduling

Expo PMIS

- Contractors access PMIS thru web-based Document Upload Interface (DUI)
- DUI will log info into CM13 and deposit documents into Sharepoint
- ECM staff will work directly in CM13 and have access to documents in Sharepoint
- ECM documents to Expo will be submitted thru DUI (invoices, correspondence)

CM13

- Expo staff will train ECM staff
- Used for:
 - RFI's
 - Submittals
 - Meeting Minutes
 - Notices
 - Non-compliances
 - Correspondence Sent and Received
 - Budgets, Commitments, Actuals and Estimate at Completions (Forecasts/Trends)

DUI Log in Screen

The screenshot shows the login interface for DIMENSION Expo. The header includes the DIMENSION logo with the tagline '© Partners Consulting 2010' and the Expo logo. The login form consists of a 'Username:' field containing 'jakwok', a 'Password:' field, and a 'Login' button. A red error message 'Invalid username/password.' is displayed below the form. Red numbered circles (1-4) highlight the username field, password field, login button, and error message respectively.
